EDUCATION

NORTHERN VIRGINIA CC
A.S. Mathematics & A.S. Computer Science
Jan 2025 - May 2026 (Expected)
GPA: 3.76 / 4.00
Relevant Coursework:
Calculus I–III
Linear Algebra
Discrete Mathematics
Differential Equations Extended
Object-Oriented Programming
Data Structures and Analysis of Algorithms

SKILLS

PROGRAMMING
Python • C++ • JavaScript
HTML/CSS • Java

TOOLS
TensorFlow • JAX • PyTorch
NumPy • SciPy • Pandas
MERN Stack

STRENGTHS
Leadership
Systems Thinking
Process Improvement
Performance Feedback
Academic Mentorship
Data-Driven Analysis & Problem Solving
Technical Writing
Communication

CERTIFICATIONS
Mental Health First Aid (MHFA)

INTERESTS
Pure Mathematics
Theoretical Physics
AI & Machine Learning
Educational Technology

WORK EXPERIENCE

C2 EDUCATION | Education Coordinator
May 2025 - Present | South Riding, VA

- Served as **operational lead for all student programs**, overseeing scheduling, diagnostics, academic conferences, and day-to-day program execution for **60+ students**.
- Supported a team of **8 teachers** by setting instructional expectations, providing feedback, and **coordinating process improvements to strengthen instructional quality.**

CHICK-FIL-A | Senior Team Leader
Jun 2024 - May 2025 | South Riding, VA

- **Led hiring, onboarding, and supported staff development** in coordination with the HR Director for a workforce of **110+ employees**.
- **Implemented a structured 30-60-90 day onboarding process**, contributing to a **14% reduction in turnover** and **7% increase in retention**.
- **Managed and supervised teams of 20+ staff per shift** during high-volume operations, providing real-time coaching and conflict resolution.
- Leveraged data analytics to support sales forecasting, HR processes, and talent development.
- Supported training program development and assisted with inventory management to support operational logistics.

VOLUNTEER EXPERIENCE

STEP UP TUTORING | Mathematics Tutor
Oct 2025 - Present | Remote

- Provided one-on-one mathematics tutoring and mentorship, supporting both academic growth and student well-being.

FREEDOM FROM SMOKING | Group Facilitator
2025 - Present | Remote / Community Clinics

- Facilitated group clinics for adults navigating nicotine dependence and related substance use challenges, providing guidance, supporting quit-plan development, and referring participants to appropriate resources.

PERSONAL PROJECTS

EDUCATIONAL WEBSITE | Personal Project
teaching.rishiedupalli.com

- Developing an expository educational website.

IMPROVING PILCO WITH A NEURAL NETWORK GAUSSIAN PROCESS | Independent Research
GitHub

- Investigated the PILCO algorithm and Neural Network Gaussian Processes.
